

Sponsorship Form

About NMUG:

The mission of the New Mexico .NET User Group is to facilitate education and knowledge exchange among developers, architects and managers who have an interest in Microsoft's .NET technologies.

We provide a great forum for local developers to come together to learn about .NET technologies and network with their peers. We actively foster a sense of community among developers learning and using the same technologies.

We currently have over 110 registered group email list members and 46 paid members. We average 40+ attendees at each monthly meeting and our website generates 300-500 unique visitors weekly. NMUG has continually grown since inception in 2006 and is considered by several Microsoft Developer Evangelists to be one of the strongest user groups in the SW region. Our leadership team's primary focus is on growing the presence in the New Mexico area to help the group gain exposure to more Microsoft events and companies looking for great sponsorship opportunities to Microsoft Developers.

We are a New Mexico Non-Profit corporation; with an IRS 501 (c)(3) application in process.

Cost of sponsorship:

\$250 for a one year sponsorship (renewable on annual sponsorship anniversary)

Our commitment to your sponsorship:

Below is what we will guarantee with your sponsorship:

- Logo placement in "Sponsors" area on website with a link back to your website
- Link placement at the bottom of the group email list with a link back to your website
- Logo placement on presentation slides for monthly meetings/education seminars/hosted NMUG events
- Special mention of all sponsors before and after presentations
- The opportunity to market your products indirectly through our group email list (Membership Director will send product solicitation to our group email list)
- The opportunity to provide your product/s for raffle giveaways at the end of each meeting

Please fill out the below information to become a sponsor:

Company Name: _____
